

TEMPUR-CANADA POLICY

**COMFORT-STEP SLIPPERS™
USE AND CARE INSTRUCTIONS**

The Tempur-Pedic® Comfort-Step Slippers™ are designed with a rugged, moulded rubber sole, a TEMPUR® pressure-relieving inner sole and a high quality midnight blue velour exterior.

To clean the Tempur-Pedic Comfort-Step Slippers, use mild, soapy water and **spot clean the affected area**, do not over saturate the surface.

Do not use cleaners containing harsh chemicals or chlorine bleach. Allow the Comfort-Step Slippers to air-dry for 24-hours before using.

The TEMPUR material **must not be laundered or dry cleaned**. Due to the temperature sensitive properties of the pressure-relieving TEMPUR inner sole, the slippers should not be ironed or machine dried.

Do Not Wash

Do Not Bleach

Do Not Dry clean

Do Not Iron

Do Not Tumble Dry

***At work or at rest, the Tempur-Pedic Comfort-Step Slippers mould comfortably to the feet.
Ideal for mornings or chilly evenings!***
